Employment

Full-time Positions:

Full Professor, Department of Civil Engineering, Graduate School of Engineering, The University of Tokyo, November 2013 – present.
Associate Professor, Department of Civil Engineering, Graduate School of Engineering, The University of Tokyo, August 2004 – October 2013.
Assistant Professor, Department of Civil Engineering, Graduate School of Engineering, The University of Tokyo, August 2000 – August 2004.
Project Manager, Institute of Transport Policy Studies, Tokyo, Japan, April 1998 – August 2000.
Research Associate, Department of Civil Engineering, Faculty of Engineering, The University of Tokyo, April 1995 – March 1998.

Temporary Positions:

Visiting Professor, University of Transport and Communication, July 2026 – August 2026.
Honorary Professor, Chulalongkorn University, March 2026 – February 2027.
Guest Researcher, Institute of Transportation, TU Wien, Vienna, Austria, June 2025.
Director, Board of Directors, Japan Transport and Tourism Research Institute, June 2023 – present.
Director, Division of Engineering Education, Institute for Innovation in International Engineering Education, Graduate School of Engineering, The University of Tokyo, April 2023– present.
Director, Board of Directors, Aviation Policy Research Association, June 2022 – present.
Co-researcher, The Research Institute for Humanity and Nature, April 2022 – March 2023.
Director, Board of Directors, Japan Society of Transportation Economics, October 2021 – present.
Project Professor, International Institute for Next Urban Planning, Design and Management, The University of Tokyo, April 2021 – March 2026.
Project Professor, Research Unit of Next-generation Cities and Transportation Design (Social Cooperation Program), The University of Tokyo, October 2020– March 2026.
Visiting Professor, Institut Teknologi Sepulug Nopember (ITS), Surabaya, Indonesia, October 2018.
Co-Director, Program for Master in Infrastructure Engineering, Vietnam Japan University (VJU), September 2016 – present.
Research Advisor, Japan Transport Research Institute, July 2016 – present.
Director, Board of Directors, The Overseas Coastal Area Development Institute of Japan (OCDI), June 2016 – present.
Director, Board of Directors, International Association for the Exchange for Technical Experiences (IAESTE) Japan, April 2014 – present.
Visiting Professor, Civil and Infrastructure Engineering Group, School of Engineering and Technology, Asian Institute of Technology, August 2014 – March 2016.
Professor, Graduate School of Public Policy, The University of Tokyo, April 2011 – present.
Visiting Researcher, Center of Asian Sustainable Mobility Research, Hiroshima University, April 2011– March 2023.
Technical Adviser, Japan Transport Cooperation Association, May 2008 – present.
Visiting Associate Professor, Transportation Engineering Field of Study, School of Engineering and Technology, Asian Institute of Technology, January 2008 – December 2013.
Visiting Lecturer, Faculty of Engineering, Chiba University, October 2007 – September 2009.
Guest researcher, Institute for Transport Planning and Systems (IVT), Department of Civil, Environmental and Geomatic Engineering, the Swiss Federal Institute of Technology (ETH) in Zurich, Switzerland, April 2005 – March 2006.
Guest Researcher, Department of Civil Engineering, Darmstadt University of Technology, Darmstadt, Germany, November 2001 –

January 2002.

Education

Doctor of Engineering	Department of Civil Engineering, The University of Tokyo, February 1999.
Master of Engineering	Department of Civil Engineering, The University of Tokyo, March 1995.
Bachelor of Engineering	Department of Civil Engineering, The University of Tokyo, March 1993.

Awards and Honors

Reviewer Excellence (Research in Business & Management), Elsevier Limited, June 2026.
Honorary Professor, Chulalongkorn University, January 2026.
Honor of supervising an outstanding doctoral dissertation (excellence level) awarded the Thailand National Research Award 2026 (Dr. Prasongchai Setthasuravich), The National Research Council of Thailand, January 2026.
Highly cited article 2022-2024 in Logistics (Maharjan and Kato, 2023), MDPI, October 2025.
KOTI Special Award at the 16th International Conference of the Eastern Asia Society for Transportation Studies, Eastern Asia Society for Transportation Studies, September 2025.
The 46th Transport Book Award (Koutsu Tosho Sho) for the Japanese version of "*Urban Railways for Tomorrow - Planning, Construction and Operation (KISS-RAIL 2.0)*," Koutsu Kyouryoku Kai, March 2021.
President's Commendation for Good Practices in Online Teaching, The University of Tokyo, March 2021.
Top cited article published in *Case Studies on Transport Policy* in the last three years (Wetwitoo and Kato, 2017), Elsevier, July 2020.
Best Paper Award at the 13th International Conference of the Eastern Asia Society for Transportation Studies, Eastern Asia Society for Transportation Studies (EASTS), September 2019.
Best Teaching Award of the Year 2015, Faculty of Engineering, The University of Tokyo, April 2016.
Best Paper Award at the 11th International Conference of the Eastern Asia Society for Transportation Studies, Eastern Asia Society for Transportation Studies (EASTS), September 2015.
Fellow, Japan Society of Civil Engineers, May 2015.
Kometani-Sasaki Award, Kometani-Sasaki Foundation, November 2014.
JSTE Award, The Japan Society of Transportation Economics, October 2014.
Outstanding Paper Award at the Emerald Literati Network Awards for Excellence 2014, Emerald Group Publishing Ltd., May 2014.
Excellent Technology and Research Development Award, Committee on Advanced Road Technology, October 2012.
Excellent Presentation Award at the 63rd Annual Conference of Japan Society of Civil Engineers, December 2008.
Excellent Paper Award of the Year 2003, Institute of Highway Economics, Tokyo, Japan, June 2003.
Excellent Paper Award in the 2nd Marketing Competition for Urban Travelers, East Japan Marketing & Communications, Inc., Tokyo, Japan, May 2003.
Fellow, Young Fellowship Program for Association of Pacific Rim Universities, August 2001.

Research/Teaching Grants

Awarded Research Grants/Contracts (Principal or Co-Principal Investigator)

Principal Investigator, Assessment method of public-private-partnership project in port development, Joint research project with The Overseas Coastal Area Development Institute of Japan, April 2026 to March 2027, JPY 2,500,000.

Principal Investigator, International Comparative Study on Port Governance Frameworks and Port Location Strategies, Research Fund for Port and Harbours Related Studies, The Port and Harbours Association of Japan, April 2026 to March 2027, JPY 1,000,000.

Principal Investigator, High-speed rail planning in Asia: International perspective, International Cooperative Research Activity (ICRA) Grant A, Eastern Asia Society for Transportation Studies, September 2025 to August 2027, USD 10,000.

Principal Investigator, Empirical analysis on traffic demand induced by road investment, Grants-in-Aid for Scientific Research, Japan Society for the Promotion of Science, April 2025 to March 2028, JPY 3,500,000.

Principal Investigator, Assessment method of public-private-partnership project in port development, Joint research project with The Overseas Coastal Area Development Institute of Japan, September 2024 to March 2026, JPY 2,500,000.

Principal Investigator, Surveys on urban railways in Bangkok and Manila, Research project contracted with West Japan Railway Company, July 2024 to February 2025, JPY 2,931,500.

Principal Investigator, Technical development of project assessment method for road investment including travel time savings, Research Program for Improving the Quality of Road Policy (Ministry of Land, Infrastructure, Transport and Tourism, Japan), April 2024 to March 2025, JPY 50,000,000.

Principal Investigator, Design of innovative sustainable urban mobility in Asia (DISUMA), e-ASIA Joint Research Program 12th Call for Proposals in the field of "Environment" on the topic of "'Low Carbon Society", Japan Science and Technology Agency, April 2024 to March 2027, JPY 35,100,000.

Principal Investigator, Technical development of project assessment method for road investment including travel time savings, Research Program for Improving the Quality of Road Policy (Ministry of Land, Infrastructure, Transport and Tourism, Japan), April 2023 to March 2024, JPY 42,500,000.

Principal Investigator, Online-based on-demand ride hailing service in large cities of Southeast Asia, Heiwa Nakajima Foundation, April

2023 to March 2024, JPY 1,500,000.

Principal Investigator, Technical development of project assessment method for road investment including travel time savings, Research Program for Improving the Quality of Road Policy (Ministry of Land, Infrastructure, Transport and Tourism, Japan), April 2022 to March 2023, JPY 45,000,000.

Principal Investigator, Impacts of Disruptive Mobile Ride-hailing Applications on Society in Southeastern Asian Countries, The Kajima Foundation's International Joint Research Grant, April 2021 to September 2023, JPY 4,150,000.

Principal Investigator, Impacts of High-speed Rail on Regional Innovation, Grants-in-Aid for Scientific Research, Japan Society for the Promotion of Science, April 2020 to March 2023, JPY 4,290,000.

Principal Investigator, Impacts of Disruptive Mobile Ride-hailing Applications on Society in Southeastern Asian Countries, The Kajima Foundation's International Joint Research Grant, April 2020 to March 2021, JPY 5,400,000.

Principal Investigator, Basic Study of Value of Travel Time Saving under Driving Autonomous Vehicle in Japan, The Japan Research Center for Transport Policy, April 2019 to March 2020, JPY 950,000.

Engineer (Team Leader), Asia Infrastructure Insights, Asian Development Bank, October 2018 to December 2021, US$ 58,000.

Principal Investigator, Potential Impacts of Autonomous Driving Technology and Smartphone on Value of Travel Time, The Kurata Grants (the Hitachi Global Foundation), April 2017 to March 2018, JPY 1,000,000.

Principal Investigator, Spatial-econometric Analysis on the Association of Airport Rail Access with Economic Productivity in a Metropolitan Area, Grant-in-Aid for Research Project, Aviation Policy Research Association, April 2015 to March 2016, JPY 500,000, September 2016 to March 2017.

Principal Investigator, Economic Impacts of Transportation Infrastructure on Urban/Regional Productivity, Grants-in-Aid for Scientific Research, Japan Society for the Promotion of Science, April 2016 to March 2018, JPY 3,200,000.

Principal Investigator, Economic Impacts of Transportation Infrastructure on Urban/Regional Productivity, Grants-in-Aid for Scientific Research, Japan Society for the Promotion of Science, April 2015 to March 2016, JPY 1,820,000.

Principal Investigator, Impacts of Development of Information Communication Technology on Travel Behavior and Transportation Project Evaluation, Grants-in-Aid for Scientific Research, Japan Society for the Promotion of Science, April 2014 to March 2015, JPY 1,560,000.

Principal Investigator, Impacts of Development of Information Communication Technology on Travel Behavior and Transportation Project Evaluation, Grants-in-Aid for Scientific Research, Japan Society for the Promotion of Science, April 2013 to March 2014, JPY 1,950,000.

Principal Investigator, Problem structuring of urban rail service for commuting at a rehabilitation stage after local earthquake in megacity, AGS (Alliance for Global Sustainability) Research Fund from University of Tokyo, September 2012 to March 2013, JPY 400,000.

Principal Investigator, Impacts of Development of Information Communication Technology on Travel Behavior and Transportation Project Evaluation, Grants-in-Aid for Scientific Research, Japan Society for the Promotion of Science, April 2012 to March 2013, JPY 1,950,000.

Principal Investigator, Comparative Analysis of Value of Travel Time Savings between Japan and Sweden, Nissan Global Foundation, April 2012 to March 2013, JPY 1,000,000.

Principal Investigator, Value of travel time savings of road users in Japan, Research Program for Improving the Quality of Road Policy (Ministry of Land, Infrastructure, Transport and Tourism, Japan), August 2011 to March 2012, JPY 7,000,000.

Co-Principal Investigator, Integrated governance of maritime transportation network in Asia, Grants-in-Aid for Scientific Research, Japan Society for the Promotion of Science, April 2011 to March 2012, JPY 500,000.

Principal Investigator, Travel behavioral analysis of a household incorporating a child with various decision-making principles, Grants-in-Aid for Scientific Research, Japan Society for the Promotion of Science, April 2011 to March 2012, JPY 1,040,000.

Principal Investigator, Problem structuring of introducing car sharing system into Japan, AGS (Alliance for Global Sustainability) Research Fund from University of Tokyo, October 2010 to March 2011, JPY 700,000.

Principal Investigator, Value of travel time savings of road users in Japan, Research Program for Improving the Quality of Road Policy (Ministry of Land, Infrastructure, Transport and Tourism, Japan), July 2010 to March 2011, JPY 7,000,000.

Principal Investigator, Feasibility study of introducing a car-sharing program based on electric vehicles by utilizing a recharging infrastructure including gas stations, June 2010 to July 2010, Showa Shell Sekiyu K. K., JPY 1,517,800.

Co-Principal Investigator, Integrated governance of maritime transportation network in Asia, Grants-in-Aid for Scientific Research, Japan Society for the Promotion of Science, April 2010 to March 2011, JPY 1,000,000.

Principal Investigator, Travel behavioral analysis of a household incorporating a child with various decision-making principles, Grants-in-Aid for Scientific Research, Japan Society for the Promotion of Science, April 2010 to March 2011, JPY 1,430,000.

Principal Investigator, Multi-Stakeholder Development of Cross-Border Transport Infrastructure (CBTI) Policy with Official Development Assistance (ODA) in Greater Mekong Subregion, Research Grants for JSPS Postdoctoral Fellows (Dr. Pichai Uamturapojn), April 2010 to September 2010, JPY 300,000.

Principal Investigator, Feasibility study of introducing a car-sharing program based on electric vehicles by utilizing a recharging infrastructure including gas stations, November 2009 to May 2010, Showa Shell Sekiyu K. K., JPY 3,990,000.

Principal Investigator, Value of travel time savings of road users in Japan, Research Program for Improving the Quality of Road Policy (Ministry of Land, Infrastructure, Transport and Tourism, Japan), June 2009 to March 2010, JPY 7,000,000.

Principal Investigator, Multi-Stakeholder Development of Cross-Border Transport Infrastructure (CBTI) Policy with Official Development Assistance (ODA) in Greater Mekong Subregion, Research Grants for JSPS Postdoctoral Fellows (Dr. Pichai Uamturapojn), April 2009 to March 2010, JPY 800,000.

Principal Investigator, Travel behavioral analysis of a household incorporating a child with various decision-making principles, Grants-in-Aid for Scientific Research, Japan Society for the Promotion of Science, April 2009 to March 2010, JPY 1,950,000.

Principal Investigator, Multi-Stakeholder Development of Cross-Border Transport Infrastructure (CBTI) Policy with Official Development Assistance (ODA) in Greater Mekong Subregion, Research Grants for JSPS Postdoctoral Fellows (Dr. Pichai Uamturapojn), October 2008 to March 2009, JPY 900,000.

Principal Investigator, Public process management in local government for sustainable development, AGS (Alliance for Global Sustainability) Research Fund from University of Tokyo, October 2008 to March 2009, JPY 800,000.

Principal Investigator, Values of travel time savings of private travels, Grants-in-Aid for Scientific Research, Japan Society for the Promotion of Science, April 2008 to March 2009, JPY 4,030,000.

Principal Investigator, Improvement of public-policy-making process in local government for sustainable development, AGS (Alliance for Global Sustainability) Research Fund from University of Tokyo, October 2007 to March 2008, JPY 1,200,000.

Principal Investigator, Case study of the Philippines in the project of Aid Effectiveness to Infrastructure: A Comparative Study of East Asia and Sub-Saharan Africa, Japan Bank for International Cooperation, July 2007 to March 2008, JPY 1,422,582.

Principal Investigator, Evaluation analysis of block-based gateway policy for international air transportation, Scientific Research Fund for Spatial Planning, Japan Center for Area Development Research, April 2007 to March 2008, JPY 1,790,000.

Principal Investigator, Values of travel time savings of private travels, Grants-in-Aid for Scientific Research, Japan Society for the Promotion of Science, April 2007 to March 2008, JPY 4,800,000.

Principal Investigator, Problem structuring of urban transportation planning towards sustainable transportation, AGS (Alliance for Global Sustainability) Research Fund from University of Tokyo, April 2006 to March 2007, JPY 2,000,000.

Principal Investigator, Values of travel time savings of private travels, Grants-in-Aid for Scientific Research, Japan Society for the Promotion of Science, April 2006 to March 2007, JPY 6,110,000.

Co-Principal Investigator, Urban development with PPP and PFI: Comparative study of Japan and UK, The Obayashi Foundation, April 2005 to March 2006, JPY 1,500,000.

Principal Investigator, Meta-game-based scenario analysis: Case study of regional transport plan in the Tokyo Metropolitan Area, AGS (Alliance for Global Sustainability) Research Fund from University of Tokyo, April 2005 to March 2006, JPY 2,000,000.

Principal Investigator, Analysis on threshold of transportation service level identified by travelers, Japan Society for the Promotion of Science, April 2004 to March 2005, JPY 1,000,000.

Principal Investigator, Impact of compact city policy on benefit stemming from transportation investment: Analysis of variation of value of travel time savings over travel time, The Obayashi Foundation, April 2004 to March 2005, JPY 1,500,000.

Principal Investigator, Analysis on improvement of travel demand forecast, The Konoike Foundation, April 2004 to March 2005, JPY 400,000.

Principal Investigator, Problem identification and structuring for regional transport planning, AGS (Alliance for Global Sustainability) Research Fund from University of Tokyo, April 2004 to March 2005, JPY 2,250,000.

Principal Investigator, Analysis on threshold of transportation service level identified by travelers, Japan Society for the Promotion of Science, April 2003 to March 2004, JPY 1,000,000.

Principal Investigator, Influence of information communication technology on consumer's behavior, The Japan Securities Scholarship Foundation, April 2002 to March 2004, JPY 950,000.

Principal Investigator, Analysis on threshold of transportation service level identified by travelers, Japan Society for the Promotion of Science, April 2002 to March 2003, JPY 400,000.

Principal Investigator, Effects of introducing smart card system into urban railway service, East Japan Railway Culture Foundation, April 2001 to March 2003, JPY 2,000,000.

Principal Investigator, Public participation in transportation project: Case study of railway investment project, East Japan Railway Culture Foundation, April 1996 to March 1997, JPY 750,000 (?).

Awarded Teaching Grants

Short-term Visiting Faculty at Asian Institute of Technology, The Grant for the Short-term Visiting Faculty from Japan to Asian Institute of Technology, The Japanese Government, January 2008; August 2008; August 2009; August 2010; August 2011; September 2014, and January 2016.

Other Awarded Grants

Kometani-Sasaki Award, Kometani-Sasaki Foundation, November 2014, JPY 1,000,000.

Invited Talks (in English only)

Keynote/plenary lectures

"Causal inference approach in transportation research," an Honorary Professor's Public Lecture, Chulalongkorn University (Bangkok, Thailand), jointly organized by Transportation Institute, Department of Civil Engineering, and Department of Urban and Regional Planning of Chulalongkorn University, March 2026.

"Resilient transportation systems: A case from road infrastructure in Japan," a keynote speech at the Second International Workshop on Quality Road Infrastructure Development, United Nations University (Tokyo, Japan), jointly organized by United Nations Centre for Regional Development/United Nations Department of Economic and Social Affairs (UN-CRD/UN-DESA) and Japan's Ministry of Land, Infrastructure, Transport and Tourism (MLIT), February 2026.

"Challenges of regional revitalization in Japan," an invited plenary lecture at the Nanhua High School No.1 (Yunnan Province, China), August 2025.

"Exploration of study topics for making good research proposal," a keynote lecture at the Graduate Research Academy 2024, jointly organized by The University of Tokyo, University of Southern California, and Chulalongkorn University (Bangkok, Thailand), May 2024.

"Introduction to high-speed rail development in Japan," a keynote lecture at the Shinkansen Summer Seminar for International Students 2023, jointly organized by The University of Tokyo, National Graduate Institute for Policy Studies, Japan Railway Technical Service, Central Japan Railway Company, and East Japan Railway Company, National Graduate Institute for Policy Studies (Tokyo, Japan), September 2023.

"Transit oriented development and property value capture in Japan," an invited presentation at the third webinar on Emerging Topics in Transportation Studies: "Property Value Capture as a Mechanism for Public Transport Financing in the Philippines," organized by Department of Science and Technology, the Philippines and National Center for Transportation Studies, University of the Philippines, August 2023.

"Impacts of HSR on regional equity: Case of Japan," presented at a plenary session of the 2nd International Workshop on High-speed Rail Socioeconomic Impacts, organized by UIC (International Union of Railways), Department of Civil, Architectural and Environmental Engineering, University of Naples Federico II (Italy), Online workshop, September 2022.

"Impact of High-Speed Rail Development on Society: Lessons Learned from Japan for Developing Countries," Special lecture at the College of Local Administration, Khon Kaen University, November 2021.

"Capacity Building for HSR Development," Plenary speech at the ADBI-Chubu University Conference on Transport Infrastructure Development, Spillover Effects and Quality of Life, Web Conference, October 2020.

"Urbanization and Motorization in Asia," Keynote speech at the Fifth Symposium of Nepal JSPS Alumni Association (NJAA) on "Emerging Issues, Challenges and Opportunities in Urban Planning in Nepal", Hotel Annapurna, Kathmandu (Nepal), October 2019.

"Integration of Transportation and Urban Development: Case of Urban Railway Development in Tokyo," Keynote speech at CITIES International Conference 2018: Spatial Economic Transport Interaction for Sustainable Development, Surabaya (Indonesia), October 2018.

"Japanese High-Speed Rail: Introduction," Introductory lecture at Shinkansen Summer Seminar for International Students 2018, The University of Tokyo, Tokyo (Japan), September 2018.

"Tokyo's Rail-oriented Transportation System," Plenary lecture at The Graduate Program for Mechanical Systems Innovation (GMSI), the Global Leader program for Social Design and Management (GSDM) and the World‐leading Innovative Graduate Study Program innovations for Future Society (WINGS iFS), The University of Tokyo, Tokyo (Japan), July 2018.

"Tokyo's Rail Network: History and Recent Issue," Keynote speech at Special Summer Seminar for International Students: "Railway Systems and Urban Development of Mega Cities 2017," The University of Tokyo, Tokyo (Japan), September 2017.

"Quality and Transportation," Keynote speech at the 14th ASEAN-Japan STOM Leaders Conference, Akita (Japan), July 2016.

"How has Tokyo Created an Intelligent and Secure Urban Rail Network through Constant Innovation," Keynote address presented at the Safe Cities Asia 2015, Singapore (Singapore), May 2015.

"Sophisticated urban rail network in Tokyo: Past and future," Keynote address presented at the 3rd Annual International Conference on Architecture and Civil Engineering (ACE 2015), Singapore (Singapore), April 2015.

"What are the critical issues of urban transportation in Yangon, Myanmar?," Keynote speech presented at the 13th International Symposium on New Technologies for Urban Safety of Mega Cities in Asia, Yangon (Myanmar), November 2014.

"Convenience in public transport: Challenges of urban rail service in Japan," Keynote lecture presented at the 12th ASEAN-Japan STOM Leaders Conference, Tokyo (Japan), June 2014.

"Economic impact of international freight transportation projects in landlocked countries: The case of Lao PDR," Keynote presentation given at Seminar-Workshop on International Freight Flow Model, Headquarter of Asian Development Bank, Manila (Philippines), March 2013.

"Urbanization and public transport in ASEAN," Keynote lecture presented at the 8th ASEAN-Japan STOM Leaders Conference, Nara (Japan), May 2010.

"Value of time in transportation project evaluation," Keynote lecture presented at Headquarter of Asian Development Bank (ADB), Manila (Philippines), December 2006.

Presentation, discussant, moderator, organizer at seminars/workshops/invited

"How can we use causal inference approach in transportation research?" presented at a special seminar of e-Asia DISUMA Project,

Department of Civil and Environmental Engineering, Gadjah Mada University (Yogjakarta, Indonesia), September 2026.

"High-speed rail in Japan: Introduction," presented at the Shinkansen Summer Seminar for International Students 2026, online lecture, September 2026.

"Publishing in high-quality journals," presented as an invited online lecture, College of Local Administration, Khon Kaen University, September 2026.

"Tokyo's Railway: How one of the world's greatest cities moves," presented at an online seminar held at Faculty of Civil Engineering, Universiti Teknologi Malaysia (UTM) (Johor, Malaysia), September 2026.

"Concluding Remarks: Lessons for Developing Asia," presented at the High-Speed Rail Webinar Series: Policy Considerations for National High-Speed Rail Network Development – Cases in the Republic of Korea: Part 2, Asian Development Bank Institute (Tokyo, Japan), August 2026.

"High-speed rail planning in Japan," presented at a seminar on urban rail and transit-oriented development (TOD) for sustainable urban planning, University of Transport Technology (Hanoi, Vietnam), August 2026.

"Urban railway in the Tokyo Metropolitan Area: Its history and challenges," presented at a seminar on urban rail and transit-oriented development (TOD) for sustainable urban planning, University of Transport Technology (Hanoi, Vietnam), August 2026.

"High-speed rail in Japan: Its development and impact," presented at a seminar organized by Hanoi Architecture University (Hanoi, Vietnam), August 2026.

"High-speed rail planning in Japan: Travel demand forecast and project assessment," presented at Academic Talk, Faculty of Project Management, University of Transport and Communications (Hanoi, Vietnam), August 2026.

03-121900: Development and Infrastructure (1.5 credit), Department of Civil Engineering (48 enrolled)
Autumn-Winter 2014/2015
03-122700: Corporate and Project Finance (1.5 credit), Department of Civil Engineering (38 enrolled)
03-123201: Theory of Social Decision-making (1.5 credit), Department of Civil Engineering (58 enrolled)
03-121820: Economics for Civil Engineers (1.5 credit), Department of Civil Engineering (61 enrolled)
Spring-Summer 2014
03-121900: Development and Infrastructure (1.5 credit), Department of Civil Engineering (56 enrolled)
03-121860: Project Evaluation (1.5 credit), Department of Civil Engineering (42 enrolled)
Autumn-Winter 2013/2014
03-122700: Corporate and Project Finance (1.5 credit), Department of Civil Engineering (32 enrolled)
03-123201: Theory of Social Decision-making (1.5 credit), Department of Civil Engineering (29 enrolled)
03-121820: Economics for Civil Engineers (1.5 credit), Department of Civil Engineering (59 enrolled)
Spring-Summer 2013
03-121900: Development and Infrastructure (1.5 credit), Department of Civil Engineering (57 enrolled)
03-121860: Project Evaluation, (1.5 credit) Department of Civil Engineering (44 enrolled)
Autumn-Winter 2012/2013
03-122700: Corporate and Project Finance (1.5 credit), Department of Civil Engineering (46 enrolled)
03-123201: Theory of Social Decision-making (1.5 credit), Department of Civil Engineering (36 enrolled)
03-121820: Economics for Civil Engineers (1.5 credit), Department of Civil Engineering (89 enrolled)
Spring-Summer 2012
03-121900: Development and Infrastructure (1.5 credit), Department of Civil Engineering (57 enrolled)
03-121860: Project Evaluation (1.5 credit), Department of Civil Engineering (39 enrolled)
Spring-Summer 2011

03-123200: Theory of Social Decision-making (1.0 credit), Department of Civil Engineering (15 enrolled)
03-121900: Development and Infrastructure (1.5 credit), Department of Civil Engineering (33 enrolled)
Spring-Summer 2010
03-123200: Theory of Social Decision-making (1.0 credit), Department of Civil Engineering (10 enrolled)
03-121900: Development and Infrastructure (1.5 credit), Department of Civil Engineering (48 enrolled)
Spring-Summer 2009
03-123200: Theory of Social Decision-making (1.0 credit), Department of Civil Engineering (21 enrolled)
03-121900: Development and Infrastructure (1.5 credit), Department of Civil Engineering (48 enrolled)
Autumn-Winter 2007/2008
03-121732: Mathematical Analysis Method II (1.5 credit), Department of Civil Engineering (?? enrolled)
Autumn-Winter 2006/2007
03-121732: Mathematical Analysis Method II (1.5 credit), Department of Civil Engineering (?? enrolled)
Spring-Summer 2006
03-120791: Economics for Civil Engineers (1.5 credit), Department of Civil Engineering (?? enrolled)
Autumn-Winter 2004/2005
03-120791: Economics for Civil Engineers (1.5 credit), Department of Civil Engineering (?? enrolled)
Autumn-Winter 2003/2004
03-120791: Economics for Civil Engineers (1.5 credit), Department of Civil Engineering (?? enrolled)
Autumn-Winter 2002/2003
03-120791: Economics for Civil Engineers (1.5 credit), Department of Civil Engineering (?? enrolled)

Postgraduate (The University of Tokyo):
Autumn 2020
FEN-CE5408L3: Economics and Finance for Infrastructure Engineers (22 Enrolled)
Autumn 2019
FEN-CE5408L3: Economics and Finance for Infrastructure Engineers (25 Enrolled)
Autumn 2018
FEN-CE5408L3: Economics and Finance for Infrastructure Engineers (30 Enrolled)

Undergraduate (Chiba University):
Spring-Summer 2009
T1E0840: Transportation Planning, Department of Urban Environmental Systems (38 enrolled)
Spring-Summer 2008
T1E0840: Transportation Planning, Department of Urban Environmental Systems (47 enrolled)
Spring-Summer 2007
T1E0840: Transportation Planning, Department of Urban Environmental Systems (?? enrolled)

Undergraduate (Shiga University, Faculty of Economics):
Spring-Summer 2025
Microeconomic Analysis: Transportation Policy and Planning (2 enrolled)

Courses Co-Taught
Undergraduate (The University of Tokyo):
Autumn-Winter 2025/2026
FEN-CE2M25L1: Basic of International Development and Projects, Department of Civil Engineering (with many professors)
FEN-CE4m10L1: Applied Project V, Department of Civil Engineering (with Dr. So Morikawa)
Autumn-Winter 2024/2025
FEN-CE2M25L1: Basic of International Development and Projects, Department of Civil Engineering (with many professors)
FEN-CE4m10L1: Applied Project V, Department of Civil Engineering (with Dr. So Morikawa)
Autumn-Winter 2023/2024
FEN-CE2M25L1: Basic of International Development and Projects, Department of Civil Engineering (with many professors)
FEN-CE4m10L1: Applied Project V, Department of Civil Engineering (with Dr. So Morikawa)
Autumn-Winter 2022/2023
FEN-CE2M25L1: Basic of International Development and Projects, Department of Civil Engineering (with many professors)
FEN-CE4m10L1: Applied Project V, Department of Civil Engineering (with Dr. Shunsaku Komatsuzaki)
Autumn-Winter 2021/2022
FEN-CE5408L3: Economics and Finance for Infrastructure Engineers (with Prof. Daisuke Fukuda)
FEN-CE2M25L1: Basic of International Development and Projects, Department of Civil Engineering (with many professors)
FEN-CE4m10L1: Applied Project V, Department of Civil Engineering (with Dr. So Morikawa)
Autumn-Winter 2020/2021

FEN-CE2M25L1: Basic of International Development and Projects, Department of Civil Engineering (with many professors)
FEN-CE4m10L1: Applied Project V, Department of Civil Engineering (with Dr. So Morikawa)

Autumn-Winter 2019/2020
FEN-CE2M25L1: Basic of International Development and Projects, Department of Civil Engineering (with many professors)

Autumn-Winter 2018/2019
FEN-CE2M25L1: Basic of International Development and Projects, Department of Civil Engineering (with many professors)
FEN-CE2402L1: Studies on Sociotechnology, Department of Civil Engineering (with Dr Shunsaku Komatsuzaki and Dr So Morikawa)
FEN-CE4m10L1: Applied Project V, Department of Civil Engineering (with Dr. So Morikawa)

Autumn-Winter 2017/2018
FEN-CE2M25L1: Basic of International Development and Projects, Department of Civil Engineering (with many professors)
FEN-CE2402L1: Studies on Sociotechnology, Department of Civil Engineering (with Dr Shunsaku Komatsuzaki)
FEN-CE4m10L1: Applied Project V, Department of Civil Engineering (with Dr. Shunsaku Komatsuzaki and Dr. So Morikawa)

Autumn-Winter 2016/2017
03-120860: Basic of International Development and Projects, Department of Civil Engineering (with many professors)

Autumn-Winter 2015/2016
03-121820: Introduction to Economics, Department of Civil Engineering (with Dr Kiichiro Hatoyama)
03-120860: Basic of International Development and Projects, Department of Civil Engineering (with many professors)

Autumn-Winter 2014/2015
03-120860: Basic of International Development and Projects, Department of Civil Engineering (with many professors)

Autumn-Winter 2013/2014
03-120860: Basic of International Development and Projects, Department of Civil Engineering (with many professors)

Autumn-Winter 2012/2013
03-122700: Corporate and Project Finance, Department of Civil Engineering (with Prof Tokuo Iwaisako)
03-120860: Basic of International Development and Projects, Department of Civil Engineering (with many professors)

Autumn-Winter 2011/2012
03-122700: Corporate and Project Finance, Department of Civil Engineering (with Prof Tokuo Iwaisako)
03-121820: Introduction to Economics, Department of Civil Engineering (with Dr Tomoki Ishikura)
03-120860: Basic of International Development and Projects, Department of Civil Engineering (with many professors)

Spring-Summer 2011
03-121860: Project Evaluation, Department of Civil Engineering (with Dr Tomoki Ishikura)

Autumn-Winter 2010/2011
03-122700: Corporate and Project Finance, Department of Civil Engineering (with Prof Tokuo Iwaisako)
03-120860: Basic of International Development and Projects, Department of Civil Engineering
03-121820: Introduction to Economics, Department of Civil Engineering (with Dr Tomoki Ishikura)

Spring-Summer 2010
03-121860: Project Evaluation, Department of Civil Engineering (with Dr Tomoki Ishikura)

Autumn-Winter 2009/2010
03-120860: Basic of International Development and Projects, Department of Civil Engineering (with many professors)
03-121820: Introduction to Economics, Department of Civil Engineering (with Dr Tomoki Ishikura)

Spring-Summer 2009
03-123200: Theory of Social Decision-making, Department of Civil Engineering (with Dr Masahide Horita)

Autumn-Winter 2008/2009
03-120860: Basic of International Development and Projects, Department of Civil Engineering (with many professors)

Spring-Summer 2008
03-121900: Development and Infrastructure, Department of Civil Engineering (with Prof Tsuneaki Yoshida)
03-123200: Theory of Social Decision-making, Department of Civil Engineering (with Dr Masahide Horita)

Autumn-Winter 2007/2008
03-120860: Basic of International Development and Projects, Department of Civil Engineering (with many professors)

Spring-Summer 2007
03-121900: Development and Infrastructure, Department of Civil Engineering (with Prof Tsuneaki Yoshida)
03-123200: Theory of Social Decision-making, Department of Civil Engineering (with Dr Masahide Horita)

Autumn-Winter 2006/2007
03-120860: Basic of International Development and Projects, Department of Civil Engineering (with many professors)

Spring-Summer 2006
03-123200: Theory of Social Decision-making, Department of Civil Engineering (with Dr Masahide Horita)

Autumn-Winter 2004/2005
03-120620: Basic Mathematics for Planning, Department of Civil Engineering (with Dr Tetsuo Shimizu)
03-122650: Planning for Urban Transport System, Department of Civil Engineering (with Prof Hitoshi Ieda and Dr Tetsuo Shimizu)

Spring-Summer 2004
03-120690: Designing for Urban Transport System, Department of Civil Engineering (with Prof Hitoshi Ieda and Dr Tetsuo Shimizu)

03-120570: Evaluation for Infrastructure Planning, Department of Civil Engineering (with Prof Hitoshi Ieda and Hideyuki Noguchi)

Autumn-Winter 2003/2004

03-120620: Basic Mathematics for Planning, Department of Civil Engineering (with Dr Tetsuo Shimizu)

03-122650: Planning for Urban Transport System, Department of Civil Engineering (with Prof Hitoshi Ieda)

Spring-Summer 2003

03-120570: Evaluation for Infrastructure Planning, Department of Civil Engineering (with Prof Hitoshi Ieda and Hideyuki Noguchi)

03-120690: Designing for Urban Transport System, Department of Civil Engineering (with Prof Hitoshi Ieda)

Autumn-Winter 2002/2003

03-122650: Planning for Urban Transport System, Department of Civil Engineering (with Prof Hitoshi Ieda and Dr Shintaro Terabe)

Spring-Summer 2002

03-120570: Evaluation for Infrastructure Planning, Department of Civil Engineering (with Prof Hitoshi Ieda and Hideyuki Noguchi)

03-120690: Designing for Urban Transport System, Department of Civil Engineering (with Prof Hitoshi Ieda and Dr Shintaro Terabe)

03-120???: Consensus-building in Civil Engineering, Department of Civil Engineering (with Dr Masahide Horita and Dr Shintaro Terabe)

Autumn-Winter 2001/2002

03-122650: Planning for Urban Transport System, Department of Civil Engineering (with Prof Hitoshi Ieda and Dr Shintaro Terabe)

Spring-Summer 2001

03-120???: Consensus-building in Civil Engineering, Department of Civil Engineering (with Dr Masahide Horita and Dr Shintaro Terabe)

Undergraduate (Vietnam Japan University, Engineer's Program in Civil Engineering):

Spring-Summer semester 2025

BCE2001: Introduction to Civil Engineering (with many professors)

Postgraduate (The University of Tokyo):

Summer 2026 (planned)

3713-118: Case Studies of International Projects, Graduate School of Engineering (with Dr So Morikawa)

Summer 2025

3713-118: Case Studies of International Projects, Graduate School of Engineering (with Dr So Morikawa)

Summer 2024

3713-118: Case Studies of International Projects, Graduate School of Engineering (with Dr So Morikawa)

Summer 2023

3713-103: Advanced Topics in Civil Engineering I (Urban Mobility and Development), Graduate School of Engineering (with Prof Daisuke Fukuda and Dr Fumihiko Seta)

3713-118: Case Studies of International Projects, Graduate School of Engineering (with Dr Shunsaku Komatsuzaki and Dr So Morikawa)

Summer 2022

3713-118: Case Studies of International Projects, Graduate School of Engineering (with Dr Shunsaku Komatsuzaki and Dr So Morikawa)

Summer 2021

3713-118: Case Studies of International Projects, Graduate School of Engineering (with Dr Shunsaku Komatsuzaki and Dr So Morikawa)

Summer 2020

3713-118: Case Studies of International Projects, Graduate School of Engineering (with Dr Shunsaku Komatsuzaki and Dr So Morikawa)

Summer 2019

3713-118: Case Studies of International Projects, Graduate School of Engineering (with Dr Shunsaku Komatsuzaki)

Summer 2018

3713-118: Case Studies of International Projects, Graduate School of Engineering (with Dr Shunsaku Komatsuzaki)

Autumn-Winter 2017/2018

3713-073: Case Studies of International Projects, Graduate School of Engineering (with Prof Hideyuki Horii and Dr Shunsaku Komatsuzaki)

Autumn-Winter 2016/2017

3713-073: Case Studies of International Projects, Graduate School of Engineering (with Prof Hideyuki Horii and Dr Shunsaku Komatsuzaki)

5140201: Public Policy Process Management, Graduate School of Public Policy (with Prof Hideaki Shiroyama)

Autumn-Winter 2015/2016

3713-073: Case Studies of International Projects, Graduate School of Engineering (with Prof Hideyuki Horii and Dr Shunsaku Komatsuzaki)

Spring-Summer 2015

5140201: Public Policy Process Management, Graduate School of Public Policy (with Prof Hideaki Shiroyama and Dr Masahiro Matsuura)

Autumn-Winter 2014/2015

3713-073: Case Studies of International Projects, Graduate School of Engineering (with Prof Hideyuki Horii and Dr Shunsaku Komatsuzaki)

3799-026: Introduction to Business and Management, Graduate School of Engineering (with many professors)

Spring-Summer 2014

5140201: Public Policy Process Management, Graduate School of Public Policy (with Prof Hideaki Shiroyama and Dr Masahiro Matsuura)

Autumn-Winter 2013/2014

3713-073: Case Studies of International Projects, Graduate School of Engineering (with Prof Hideyuki Horii and Prof Tetsuya Ishida)

3799-026: Introduction to Business and Management, Graduate School of Engineering (with many professors)

Spring-Summer 2013

5140201: Public Policy Process Management, Graduate School of Public Policy (with Prof Hideaki Shiroyama and Dr Masahiro Matsuura)

Autumn-Winter 2012/2013

3713-064: Case Studies of International Projects, Graduate School of Engineering (with Prof Hideyuki Horii, Dr Riki Honda and Dr Tetsuya Ishida)

Autumn-Winter 2011/2012

3713-064: Case Studies of International Projects, Graduate School of Engineering (with Prof Hideyuki Horii, Dr Riki Honda and Dr Tetsuya Ishida)

Spring-Summer 2012

5140201: Public Policy Process Management, Graduate School of Public Policy (with Prof Hideaki Shiroyama and Dr Masahiro Matsuura)

Spring-Summer 2011

5140201: Public Policy Process Management, Graduate School of Public Policy (with Prof Hideaki Shiroyama and Dr Masahiro Matsuura)

Spring-Summer 2010

5140201: Public Policy Process Management, Graduate School of Public Policy (with Prof Hideaki Shiroyama and Dr Masahiro Matsuura)

Spring-Summer 2009

5140201: Public Policy Process Management, Graduate School of Public Policy (with Prof Hideaki Shiroyama and Dr Masahiro Matsuura)

Spring-Summer 2008

5140201: Public Policy Process Management, Graduate School of Public Policy (with Prof Hideaki Shiroyama and Dr Masahiro Matsuura)

Spring-Summer 2007

5140201: Public Policy Process Management, Graduate School of Public Policy (with Prof Hideaki Shiroyama and Dr Masahiro Matsuura)

Autumn-Winter 2006/2007

3713-044: Advanced Transport Planning/Engineering, Graduate School of Engineering (with Prof Hitoshi Ieda and Dr Tetsuo Shimizu)

Autumn-Winter 2004/2005

711-58: Planning, Policy and Management of Transport and Urban Infrastructure, Graduate School of Engineering (with Prof Hitoshi Ieda and Dr Tetsuo Shimizu)

Spring-Summer 2004

711-59: Theories and Methods of Transport and Urban Spatial Planning, Graduate School of Engineering (with Prof Hitoshi Ieda and Dr Tetsuo Shimizu)

Autumn-Winter 2003/2004

711-58: Planning, Policy and Management of Transport and Urban Infrastructure, Graduate School of Engineering (with Prof Hitoshi Ieda)

Spring-Summer 2003

711-59: Theories and Methods of Transport and Urban Spatial Planning, Graduate School of Engineering (with Prof Hitoshi Ieda and Dr Shintaro Terabe)

Autumn-Winter 2002/2003

711-58: Planning, Policy and Management of Transport and Urban Infrastructure, Graduate School of Engineering (with Prof Hitoshi Ieda and Dr Shintaro Terabe)

Spring-Summer 2002

711-59: Theories and Methods of Transport and Urban Spatial Planning, Graduate School of Engineering (with Prof Hitoshi Ieda and Dr Shintaro Terabe)

Autumn-Winter 2001/2002
711-58: Planning, Policy and Management of Transport and Urban Infrastructure, Graduate School of Engineering (with Prof Hitoshi Ieda and Dr Shintaro Terabe)

Postgraduate (Asian Institute of Technology):

Spring 2016
CE73.14: Transportation Economics and Project Evaluation, Transportation Engineering Field of Study, School of Engineering and Technology (with Dr Piyapong Jiwattanakulpaisarn and Dr Makoto Chikaraishi)
Autumn 2014
CE73.14: Transportation Economics and Project Evaluation, Transportation Engineering Field of Study, School of Engineering and Technology (with Dr Piyapong Jiwattanakulpaisarn)
Autumn 2013
CE73.14: Transportation Economics and Project Evaluation, Transportation Engineering Field of Study, School of Engineering and Technology (with Dr Piyapong Jiwattanakulpaisarn)
Autumn 2012
CE73.14: Transportation Economics and Project Evaluation, Transportation Engineering Field of Study, School of Engineering and Technology (with Dr Piyapong Jiwattanakulpaisarn)
Autumn 2011
CE73.14: Transportation Economics and Project Evaluation, Transportation Engineering Field of Study, School of Engineering and Technology (with Dr Piyapong Jiwattanakulpaisarn)
Autumn 2010
CE73.14: Transportation Economics and Project Evaluation, Transportation Engineering Field of Study, School of Engineering and Technology (with Dr Kunnawee Kanitpong)
Autumn 2009
CE73.14: Transportation Economics and Project Evaluation, Transportation Engineering Field of Study, School of Engineering and Technology (with Dr Kunnawee Kanitpong)
Autumn 2008
CE73.14: Transportation Economics and Project Evaluation, Transportation Engineering Field of Study, School of Engineering and Technology (with Dr Kunnawee Kanitpong)
Spring 2008
CE73.13: Urban Transportation Planning and Policy, Transportation Engineering Field of Study, School of Engineering and Technology (with Dr Kunnawee Kanitpong)

Postgraduate (Vietnam Japan University):

Autumn-Winter 2025/2026
VJU6027: Transportation Planning and Policy, Program for Master of Civil Engineering (with Prof Naohisa Okamoto and Dr Phan Le Binh)
Autumn-Winter 2024/2025
VJU6027: Transportation Planning and Policy, Program for Master of Civil Engineering (with Prof Naohisa Okamoto and Dr Phan Le Binh)
Autumn-Winter 2023/2024
VJU6027: Transportation Planning and Policy, Program for Master of Civil Engineering (with Prof Naohisa Okamoto and Dr Phan Le Binh)
Autumn-Winter 2022/2023
VJU6027: Transportation Planning and Policy, Program for Master of Civil Engineering (with Prof Naohisa Okamoto and Dr Phan Le Binh)
Autumn-Winter 2021/2022
VJU6027: Transportation Planning and Policy, Program for Master of Infrastructure Engineering (with Prof Naohisa Okamoto and Dr Phan Le Binh)
Autumn-Winter 2020/2021
VJU6027: Transportation Planning and Policy, Program for Master of Infrastructure Engineering (with Prof Naohisa Okamoto and Dr Phan Le Binh)
Autumn-Winter 2018/2019
VJU6027: Transportation Planning and Policy, Program for Master of Infrastructure Engineering (with Prof Naohisa Okamoto and Dr Phan Le Binh)
Autumn-Winter 2017/2018
VJU6027: Transportation Planning and Policy, Program for Master of Infrastructure Engineering (with Prof Naohisa Okamoto and Dr Phan Le Binh)
Autumn-Winter 2016/2017
VJU6027: Transportation Planning and Policy, Program for Master of Infrastructure Engineering (with Prof Naohisa Okamoto and Dr Phan Le Binh)

Supervision of Chaired Students

Chaired Doctoral Degrees (Doctor of Engineering, The University of Tokyo):

Harish Singh Saud October 2026 – (planned)
Hisaki Amemiya April 2025 – present
Hsiao-Po Yang October 2024 – present
Nur Oktaviani Widiastuti October 2024 – present
Sanae Sasamori July 2023 – present
Naravit Thongnak (Atom) Dr. Eng., September 2026 (Chulalongkorn University, Transportation Institute, October 2026– present)
Title: "Land Value Capture for Financing Urban Rail Transit Development in Emerging Economies"
Jefferson Hishiyama da Silva Dr. Eng., September 2025 (The International Council on Clean Transportation, October 2025 – present)
Title: "Road Infrastructure and Socioeconomic Outcomes: Exploring the Impacts on Health, Education, and Income in Emerging Economies"
Sarah Haytham October 2020 – present
Jiyue Guo Dr. Eng., September 2023 (???, 2023 – present)
Title: "Financing Infrastructure through Public-Private Partnerships in Emerging Economies"
Ayushman Bhatt Dr. Eng., September 2021 (The University of Tokyo, 2021-2022; Singapore University of Technology and Design, 2022-2024; Asian Institute of Technology, 2024 – present)
Title: "Impacts of High-Speed Rail Development on Regional Innovation"
Prasongchai Setthasuravich (Seta) Dr. Eng., September 2021 (Mahasarakham University, 2021 – 2025; The University of Tokyo, 2025 – present)
Title: "Short-Term Transportation Policy in Developing Countries: Exploring Policy Processes, Outcomes, and Impacts in Thailand From a Digital Divide Perspective"
Lucas Bispo de Oliveira Alvez Dr. Eng., March 2019 (Pacific Consultants Co., Ltd., 2021 – 2025; Asian Infrastructure Investment Bank, 2025 – present)
Title: "Land Property Rights and Their Impacts on Agricultural Economic Productivity: Case Study from Brazil"
Rika Idei Dr. Eng., March 2018 (Asian Development Bank, 2018 – present)
Title: "Formulation Process of Rural Roads Projects and its Effects on Poverty Reduction in Developing Countries"
Jetpan Wetwitoo (Jay) Dr. Eng., September 2017 (The University of Tokyo, 2017-2018; Creative Research & Planning Co., Ltd., 2017 – present)
Title: "Agglomeration and Migration Impacts from High-Speed Rail: Case Study in Japan and Its Implications to Thailand"
Ryosuke Abe Dr. Eng., September 2016 (The University of Tokyo, 2016-2017; Japan Transport and Tourism Research Institute, 2017-2021; Policy Research Institute for Land, Infrastructure, Transport and Tourism, 2021-2022; Yokohama National University, 2022 – present)
Title: "Dynamics in Development of Urban Transportation Markets and Transportation Investment Strategy in Developing Countries"

Chaired Master Degree (Master of Engineering, The University of Tokyo):

Joji Asakura April 2026 – present
Sayaka Oshima April 2026 – present
Ouma Tanigawa April 2026 – present
Ridwan Satria April 2025 – present
Shota Emoto April 2025 – present
Yu Shuen Ong M. E., March 2026
Miu Endo April 2024 – present
Fumito Nagashima M. E., March 2026
Masanobu Higashino M. E., March 2025
Masanori Sagawa M. E., March 2025
Kumiko Uchida M. E., March 2024
Hajime Nagasaki M. E., March 2024
Jumpei Harada M. E., March 2023
Natsuki Takao M. E., March 2022
Shinnosuke Maeda M. E., March 2021
Ayumi Shinobu M. E., March 2021
Koichi Mizuno M. E., September 2020
Takeshi Miura M. E., March 2020
Tomohiro Shibata M. E., March 2020
He Jian M. E., September 2019

Mai Chi Nguyen	M. E., September 2018
Akio Konno	M. E., March 2018
Tokoki Ooka	M. E., March 2018
Shohei Ninomiya	M.E., March 2017
Satoshi Tanabe	M.E., March 2016
Akito Kinoshita	M.E., March 2016
Takuma Cho	M.E., March 2015
Victor Rambach	M.E., September 2014
Xiaoyi Wang	M.E., March 2014
Yohei Nishio	M.E., March 2014
Etienne Le Maout	M.E., September 2012
Kohei Asao	M.E., March 2012
Takahiro Igo	M.E., March 2012
Akihiro Inagi	M.E., March 2011
Yukihiro Ogawa	M.E., March 2011
Nozomi Saito	M.E., March 2009
Navinda Kishan De Silva	M.E., September 2008
Kazuki Tsujinouchi	M.E., March 2008
Toshinori Hashimoto	M.E., March 2008
Nguyen Hong Le	M.E., September 2007
Masako Hatta	M.E., March 2007
Yuko Harada	M.E., March 2007
Junichi Sato	M.E., March 2005
Manabu Matsumoto	M.E., March 2004
Makoto Imai	M.E., March 2003
Toshihiro Otsuji	M.E., March 2003
Masataka Shimoda	M.E., March 2002
Yoshimasa Nakajima	M.E., March 2001

Chaired Master Degree (Master of Public Policy, The University of Tokyo):

Tomoko Watanabe	M.P.P. March 2014

Chaired Master Degrees (Master in Infrastructure/Civil Engineering, Vietnam Japan University):
